About Textainer Group Holdings Limited

Textainer has operated since 1979 and is the world's largest lessor of intermodal containers based on fleet size. We have a total of more than 1.6 million containers, representing more than 2.4 million TEU, in our owned and managed fleet. We lease containers to approximately 400 shipping lines and other lessees. We lease dry freight containers, which are by far the most common of the three principal types of intermodal containers, as well as specialized and refrigerated containers. We have also been one of the largest purchasers of new containers among container lessors over the last 10 years. We are one of the largest sellers of used containers, having sold more than 77,000 containers last year to more than 1,100 customers. We provide our services worldwide via a network of regional and area offices and independent depots.
