### About Textainer Group Holdings Limited

Textainer has operated since 1979 and is the world's largest lessor of intermodal containers based on fleet size. We have a total of more than 1.3 million containers, representing over 2,000,000 TEU, in our owned and managed fleet. We lease containers to more than 400 shipping lines and other lessees. We principally lease dry freight containers, which are by far the most common of the three principal types of intermodal containers, although we also lease specialized and refrigerated containers. We have also been one of the largest purchasers of new containers among container lessors over the last 10 years. We believe we are also one of the largest sellers of used containers, having sold an average of more than 53,000 containers per year for the last five years. We provide our services worldwide via a network of 14 regional and area offices and over 350 independent depots in more than 130 locations.
