Textainer has operated since 1979 and is one of the world's largest lessors of intermodal containers based on fleet size with a total of 2.1 million containers representing 3.1 million TEU in our owned and managed fleet. We lease containers to approximately 360 customers, including all of the world's leading international shipping lines, and other lessees. Our fleet consists of standard dry freight, dry freight specials, and refrigerated intermodal containers. We also lease tank containers through our relationship with Trifleet Leasing and are the primary supplier of containers to the U.S. Military. Textainer is one of the largest and most reliable suppliers of new and used containers. In addition to selling older containers from our lease fleet, we buy older containers from our shipping line customers for trading and resale. We sold an average of almost 100,000 containers per year for the last five years to more than 1,200 customers making us one of the largest sellers of used containers. Textainer operates via a network of 14 offices and approximately 500 depots worldwide.
