About Textainer Group Holdings Limited

Textainer has operated since 1979 and is one of the world's largest lessors of intermodal containers with more than 3.5 million TEU in our owned and managed fleet. We lease containers to approximately 250 customers, including all of the world's leading international shipping lines, and other lessees. Our fleet consists of standard dry freight, refrigerated intermodal containers, and dry freight specials. We also lease tank containers through our relationship with Trifleet Leasing and are a supplier of containers to the U.S. Military. Textainer is one of the largest and most reliable suppliers of new and used containers. In addition to selling older containers from our lease fleet, we buy older containers from our shipping line customers for trading and resale. We sold an average of almost 140,000 containers per year for the last five years to more than 1,500 customers making us one of the largest sellers of used containers. Textainer operates via a network of 14 offices and approximately 500 independent depots worldwide. Textainer has a primary listing on the New York Stock Exchange (NYSE: TGH) and a secondary listing on the Johannesburg Stock Exchange (JSE: TXT).
